

Cetriaaim Tablets

[Cetirizine Dihydrochloride USP] 10mg

Drug Category: H1 receptor antagonist

Composition:

Each film coated tablet contains:

Cetirizine Dihydrochloride (USP)..... 10mg

(Product complies with USP Specs.)

Mechanism of action

Cetirizine Dihydrochloride, a human metabolite of hydroxyzine, is a potent and selective antagonist of peripheral H₁-receptors.

In vitro receptor binding studies have shown no measurable affinity for other than H₁-receptors.

Pharmacokinetics properties:

Absorption : Rapid

Metabolism : limited hepatic

Half-life elimination: children :6.2hours; Adults: 8 hours.

Indications: Cetirizine Dihydrochloride is indicated for the relief of nasal and ocular symptoms of seasonal and perennial allergic rhinitis. – Cetirizine Dihydrochloride is indicated for the relief of symptoms of chronic idiopathic urticarial

Dosage:Adults:The usual dosage for adults younger than 65 years is 10-milligram (mg) dose per day.

Children aged from 6 to 12 years: 5mg twice daily (a half tablet twice daily).

Adults and adolescents over 12 years of age: 10mg once daily (1 tablet)

Pharmacokinetics: Onset of action: Suppression of skin wheal and flare:0.7 hours.

Duration of action: Suppression of skin wheal and flare: ≥ 24

hours.

Pregnancy: No evidence of risk in humans.

Lactation: Contraindicated or not recommended.

Contraindication: severe renal impairment. peanut or soya allergy. Hypersensitivity to hydroxyzine.

Precautions: Renal insufficiency. Epilepsy. Risk factors for urinary retention.

Interactions: CNS depressants, alcohol.

Adverse effects: Drowsiness, headache, dizziness, agitation, dry mouth, Glupset, pharyngitis, rhinitis, fatigue. Urticarial and pruritus after stopping treatment.

Pharmaceutical precautions Warnings:

Store at room temperature. Protect from heat, light and moisture. Keep away from children.

For oral use only. Use only on medical advisors.

Presentation: Pack of 10's Tablets

خوراک: ڈاکٹر کی ہدایت کے مطابق استعمال کریں۔
ہدایات: دوا کو روشنی اور نمی سے محفوظ رکھیں۔
کمرے کے درجہ حرارت پر رکھیں۔
بچوں کی پہنچ سے دور رکھیں۔
